Term Essential and Term Elite November 2019

On Monday November 11, 2019, the repriced Term Essential and Term Elite will be introduced, subject to state approvals.

TERM ESSENTIAL TRANSITION PERIOD RATE BASIS AUTOMATION

The November 2019 Term Essential repricing will be the first to benefit from our “Rate Basis Automation” functionality. With this new functionality there is no need for a financial professional to request the lower-priced premium during the November transition period for Term Essential. Term Essential applications (for either the old product or the repriced product) received during the transition period will be priced with a premium based on the lesser of the two automatically.

When the premium rate basis is systematically changed, an informational task will be sent to the producer indicating that the lower premium rates have been applied to the policy.

Applications dated after December 8th will receive the New Rates only.

TRANSITION DATES

Ready to Sell Date: **November 11, 2019**

Transition Period End Date: **December 9, 2019**

Not all future repricing's will be eligible for Rate Basis Automation. The new functionality is used for Term products only and will be activated when there is a rate change only with no feature changes to the product.

TERM ELITE TRANSITION RULES

REQUESTS FOR NEW RATES

Requests for changes to the New Rates will be permitted for these situations:

- Any pending case or issued policy that is not yet delivered with an application date prior to the state introduction date can be changed to New Rates, as long as the request for change is made on or after the state introduction date

BACKDATING

Normal backdating rules apply, meaning that the new policy date can be backdated up to six months prior to the application date (three months in Ohio). A policy with New Rates can be dated prior to the state introduction date as long as the application meets the requirements in the TRANSITION RULES above.

Please note: If the date of birth is more than 6 months prior to the state introduction date, you cannot backdate the policy to save age with a request for New Rates.

REQUESTS FOR OLD RATES DURING THE TRANSITION PERIOD: INFORMAL/INQUIRY APPLICATIONS

Informal/Inquiry applications will not be eligible for Old Rates unless replaced by a live application by the end of the 28-day transition period based on state approval.

APPLICATIONS WITHOUT OWNERSHIP ARRANGEMENTS

Formal applications without ownership arrangements (Preliminary applications, trial application and where a Trust is TBD) must be replaced by a final formal application by the end of the 28-day transition period based on state approval to be eligible for the Old Rates.
